

#TeamEurope

The European Commission, in conjunction with EU Member States, wants to solicit the perspectives of EU-affiliated enterprises engaged in business activities in these markets to identify their needs. This information will be used to establish the agenda mainly for the 2024 EU Business Forums in important markets across all regions.

European Union

International Partnerships

#EBOWN

EU firms operating in the specific market or interested in entering the market are invited to fill in the EU survey before the deadline to have their say on the action priorities.
