EBOWN selected to Global Gateway Business Advisory Group

“Global Gateway is the EU's contribution to narrowing the global investment gap worldwide. It offers sustainable investments in the prosperity and security of our partners as well as for Europe. To further scale up the Global Gateway flagship projects, we need both public and private resources. The Global Gateway Business Advisory Group will help us to work closer together and deliver faster on the green and digital transitions, boosting the economy of our partners and the EU.”

Ursula von der Leyen, President of the European Commission
